

SECTION 6 EXPLODED VIEWS

6-1. OVERALL SECTION

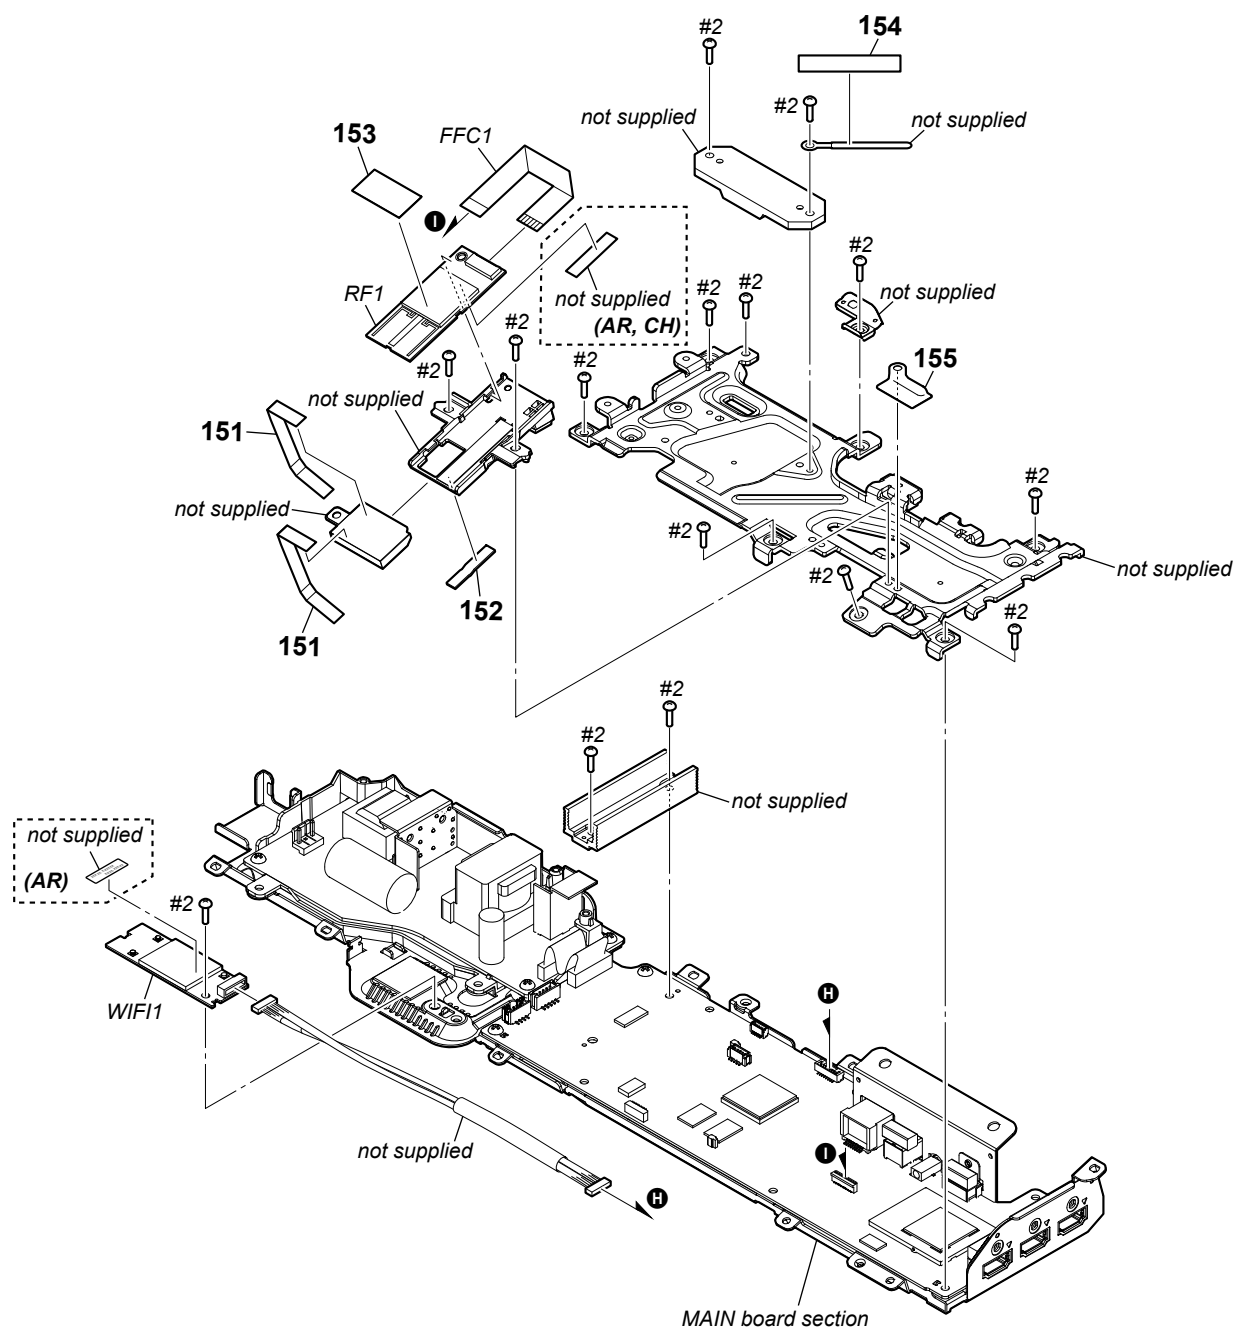

HT-CT800

6-2. TOP CABINET SECTION

Exploded view diagram of the HP Pavilion 15-010TX laptop chassis assembly. The diagram shows the main chassis (101) with various internal components and their assembly points. Key components include: 102 (Main Board), 103 (Battery), 104 (Battery Cover), 105 (Chassis Section), 106 (Hinge), 107 (Chassis Section), 108 (Chassis Section), 109 (Chassis Section), 110 (Chassis Section), 111 (Chassis Section). Assembly points are marked with #2 screws. Various wires and connectors are shown, including AC1 (Power Cord), ACP1 (Power Adapter), FFC3 (Flat Flex Cable), and BTW (BT) board. A note indicates that the BTW (WIFI-2) board is not supplied. A dashed box labeled 'Note 1' indicates that a part is deleted from the midway of production. A dashed box labeled '(SP1 for Hong Kong)' shows the ACP1 power adapter. A dashed box labeled '(See Note 2)' is also present.
